

EXPRESSION OF INTEREST (EOI) FOR INTEGRATED DRILLING MANAGEMENT SERVICES

BACKGROUND

Finder Timor-Leste B.V. (Finder) is an oil and gas company with an office located in Dili with its parent Company, Finder Operations Pty Ltd, located in Perth, Australia. Finder is the Operator of PSC-TL-SO-T 19-11 (PSC 19-11), effective from August 2024.

Recognising the requirements, Finder is seeking expressions of interest for reputable, capable and experienced service providers for the provision of drilling and other support services as detailed below.

This EOI does not constitute a commitment, implied or otherwise, that Finder will proceed to further contracting any of the scope of work/services outlined below.

Field and Location Overview

The proposed development wells lies within the previously appraised Kuda Tasi and Jahal oil fields within PSC 19-11.

The location of PSC 19-11 and fields can be seen in Figure 1. The Kuda Tasi and Jahal oil fields fall under the jurisdiction of the Timor-Leste authorities and can be found in the north of PSC 19-11. Water depths range from 400-430m. The development project is expected to be a 3 well standalone development with the potential for future additional wells. All wells will be completed to facilitate near term production.
