

EXPRESSION OF INTEREST (EOI) FOR INTEGRATED FPSO MANAGEMENT SERVICES

BACKGROUND

Finder Timor-Leste B.V. (Finder) is an oil and gas company with an office located in Dili with its parent Company, Finder Operations Pty Ltd, located in Perth, Australia. Finder is the Operator of PSC-TL-SO-T 19-11 (PSC 19-11), effective from August 2024.

Recognising the requirements, Finder is seeking expressions of interest for reputable, capable and experienced service providers for the provision of a FPSO (Floating Production, Storage and Offloading) vessel and other support services as detailed below.

This EOI does not constitute a commitment, implied or otherwise, that Finder will proceed to further contracting any of the scope of work/services outlined below.

Field and Location Overview

The proposed development lies within the previously appraised Kuda Tasi and Jahal fields within PSC 19-11.

The location of PSC 19-11 and fields can be seen in Figure 1. The Kuda Tasi and Jahal oil fields fall under the jurisdiction of the Timor-Leste authorities and can be found in the north of PSC 19-11. Water depths range from 400-430m. The development project is expected to be a 3 well standalone development with the potential for future additional wells.

SCOPE OF SERVICES

For each of the work scopes listed below, as a minimum, a company shall have the capacity and experience to provide the following integrated services and equipment requirements:

1. FPSO Production Management Services (PMS) to facilitate the engineering design, project planning and provide PMS for the Kudi Tasi and Jahal production operations for PSC 19-11 for earliest execution in 2026.
2. Provision of Long Lead Production Equipment as required inclusive of moorings.
3. Services (General)
 - Management of a suitable offshore FPSO, capable of water depths up to ~450m and crew to safely operate and maintain, within the Kuda Tasi and Jahal fields
 - Offshore supply and mooring installation vessels
 - FPSO Inspection services
 - Site Inspections for FPSO mobilisation
 - Supply Base services
 - Helicopter Services
 - Regulatory Approvals (HSEQ documents and suitable Safety Case requirements)
 - Customs and Immigration Services
 - Operations & Manpower Services
 - Freshwater Bulk Delivery Services
 - Fuel Delivery Services
 - FPSO Communications
 - FPSO Positioning Services
 - Travel and Logistics Services
 - Weather reporting Services
 - Emergency Response Services
