

NT Resources Week Exhibition 2025

Timor-Leste Australia Energy Partnership

Overview

The Timor-Leste Australia Energy partnership (TLAEP) is led by Australia's Department of Industry, Science and Resources (DISR) and Timor-Leste's Autoridade Nacional do Petróleo (ANP). The Partnership is jointly administered by the Energy Partnership Secretariat, consisting of representatives from DISR, ANP and the Department of Foreign Affairs and Trade (DFAT).

The Timor-Leste Australia Energy Partnership aims to share expertise, build industry connections, deepen bilateral trade and investment links and build workforce capability in Timor-Leste's resources sector. The partnership supports business, university, training providers, and government delegate visits between Timor-Leste and Australia and builds on existing industry and government collaboration.

Invitation for Expression of Interest

As part of this initiative, the Energy Partnership Secretariat invites expressions of interest (EOI) from Timorese companies and Training Providers to participate in the NT Resources Week Conference in Darwin, Australia scheduled for September 2025. Six (6) representatives from selected companies will be fully funded for travel, accommodation, visas, meals and SEAAOC conference registration.

The Energy Partnership Secretariat will identify competent Timorese suppliers/subcontractors with the capability of being awarded tenders for LNG operations, supplies, CCS and decommissioning activities.
