REQUEST FOR PROPOSAL (RFP)

Re-Tender

Supply New ICT Equipment to ANP

ANP/CS/PROC/RFP/26/007

I. Background

Autoridade Nacional do Petróleo (ANP) is a Timor-Leste public institution, created under Decree Law No. 62/2023 of 6th September 2023, 3rd amendment of Decree Law No. 20/2008 of 19th June, on the establishment of Autoridade Nacional do Petróleo (ANP Decree-Law), which plays a critical role in managing and regulating petroleum activities within the country.

ANP oversees Petroleum Operations under both offshore and onshore Territory of Timor-Leste, including those under the Greater Sunrise Special Regime Area as per legal requirement set forth under the ANP Decree-Law, Law No.6/2019 of 4th December Second Amendment of Law no. 13/2005 of 2nd September, on Petroleum Activities and the Maritime Boundary Treaty.

ANP's core responsibilities encompass a wide array of activities in the petroleum industry, ranging from regulating Carbon Capture, Utilization, and Storage (CCUS) to overseeing the production, storage, transport, and marketing of hydrogen and synthetic fuels. The institution also focuses on establishing and enforcing regulations covering various aspects of petroleum and natural gas resource management, including exploration, development, production, transportation, processing, distribution, and decommissioning.

Information and Technology has important roles to support all aspects of the ANP business process; therefore, through the ANP Procurement Department, we are seeking a capable and qualified ICT vendor in the country which is interested in supplying items as listed below to the ANP office.

II. Selection Criteria

Interested vendor/company is requested to provide following information in their proposal and indicate the abilities to perform the services:

1. Company experiences and capacity to perform the scope of work;
2. Vendor Qualification;
3. Proposed Methodology based on the scope work;
4. Work Program and Timelines;
5. Declaration of conflicts of interest;
6. Timor-Leste Commercial/Business Registration Certificate including valid tax certificate and company share capital;
7. Declaration of affiliation. The overseas company is required to declare affiliation with local company (if any);
8. Company organization structure;
9. Bank Statements within the last 3 months transaction from the date of the proposal submission;
10. Financial Proposal for supplying the ICT equipment's;
 - The fee proposed must be a total fixed price quoted by indicating a total gross amount in USD which is 10% Withholding Tax included.

- No amount other than the proposed total fixed price shall be paid.

Note:

- Submit the proposal both the technical and financial parts. Write it in English or Tetum, following the numbering in the selection criteria above.
- While the price is an important factor, it will not be the primary consideration in evaluating responses to this RFP.

III. Proposal Submission

The Proposal shall be submitted electronically (or share via public drives), a hard copy submission is not acceptable and must outline the relevant procurement reference number in the subject of email and addressed to the email address: procurement@anp.tl

IV. Further Information

Requests for further information should be made by email to procurement.queries@anp.tl or by telephone at +670 73099996.

V. Closing Date

The bidding process will be closed on **Thursday 3 September 2026** at 16.00 Timor-Leste time. Late applications will not be considered.

Date, 19 /August/ 2026

Humberto Pereira
